

SINENHLANHLA MAGUBANE

OBJECTIVE

A highly motivated and detail-oriented Full Stack Developer trainee with a strong foundation in modern web technologies including HTML, CSS, JavaScript, TypeScript, React, and Python. Bringing valuable professional experience from administrative and customer-facing roles, which have honed exceptional communication, problem-solving, and time-management skills. Eager to apply a passionate and dedicated approach to a collaborative junior development team where I can contribute to innovative projects and continue to grow as a software engineer

EXPERIENCE

MLab

July 2025 - Current

Full-stack Developer Intern
Participating in an intensive, hands-on training program focused on modern full-stack web development practices.

Developing proficiency in front-end technologies including HTML, CSS, JavaScript, TypeScript, React/Vite, and Redux, and back-end development using Python, SQL, Nest.js, and Express.js.

Designing and implementing efficient database schemas and performing CRUD operations using SQLite3.

Collaborating with peers on real-world projects using Git and GitHub under Agile methodologies.

P Trimbora Agency cc

Dec 2020 - June 2024

Admin Assistant
Managed client correspondence and maintained organized filing systems, both digital and physical, improving document retrieval time.

Assisted with data entry and report generation, ensuring a high degree of accuracy and attention to detail.

Supported office operations by scheduling appointments and coordinating meetings, enhancing overall administrative efficiency.

Shell Ultra City Estcourt

June 2015 - May 2016

Store Assistant
Provided exceptional customer service in a fast-paced retail environment, resolving inquiries and ensuring a positive customer experience.

Managed point-of-sale (POS) transactions and maintained inventory stock levels, demonstrating responsibility and trustworthiness.

Developed strong interpersonal and problem-solving skills by effectively addressing diverse customer needs
