IsiZulu

English

### About Me

Gaining proficiency in technologies like HTML, CSS, JavaScript, TypeScript, React, React Native, Vite, and Redux, and back end development with Python, SQL, Node.js, and MongoDB. Designing and implementing efficient database schemas and performing CRUD operations using PostgreSQL and SQLite3. Collaborating on real-world projects using Git and GitHub under Agile methodologies, for scalable and maintainable codebases.

### WORK EXPERIENCE

July 2025– March 2026 | **Contract**  
**Full Stack Developer Intern**

MLab/CodeTribe

Gaining proficiency in front-end technologies including HTML, CSS, JavaScript, TypeScript, React, React Native, Vite, and Redux, and back end development with Python, SQL, Nest.js, and Express.js. Designing and implementing efficient database schemas and performing CRUD operations using PostgreSQL and SQLite3.

#### Admin Assistant

Dec 2020 – June 2024  
P Trimborn Agency

Managed client correspondence and maintained organized filing systems, both digital and physical, improving document retrieval time. Assisted with data entry and report generation, ensuring a high degree of accuracy and attention to detail. Supported office operations by scheduling appointments and coordinating meetings, enhancing overall administrative efficiency.

#### Junior General Manager

Mar 2022 – April 2023

P Trimborn Agency | Edu-Wize Group

Gather, analyse, and interpret business information to support effective decision-making and strategy. Apply management principles to plan, organise resources, manage budgets, and monitor work unit performance to achieve objectives. Lead, motivate, and negotiate with individuals and teams while ensuring compliance with organisational standards. Act ethically at all times, understanding workplace responsibilities and the broader social impact of decisions.
